

OUR STORY

Royal Garden is a family-owned restaurant driven by a passion for Cantonese cuisine and dining culture.

Our dim sum is handcrafted from scratch using traditional techniques and authentic flavors.

Our chefs are highly experienced in the craft of traditional Cantonese cuisine. Every day, fresh ingredients are transformed into steamed dumplings, wok-fried dishes, crispy duck, and delicate specialties, with a particular focus on Southern Chinese cuisine.

CHINESE SOCIAL DINING

Since 1999, Royal Garden has invited guests on an authentic journey from West to East, where the freshness of the food, the love for craftsmanship, and the overall dining experience come together.

We believe that the best meals are created when shared. Our social dining concept is inspired by Chinese tradition, where people gather around the table, share dishes, engage in long conversations, and enjoy the meal together.

OUR CONCEPT

Dishes are served continuously throughout the meal, reflecting the traditional way food is enjoyed in China.

Each dish is brought to the table when ready to maintain its quality. Since preparation times vary, dishes are served when ready, ensuring each one can be enjoyed at its best.
